(301 added July 2, 2008, P.L.197, No.32)

Section 301.1. Delegation of Taxing Powers and Restrictions Thereon.--(a) The duly constituted authorities of the following political subdivisions, cities of the second class, cities of the second class A, cities of the third class, boroughs, towns, townships of the first class, townships of the second class, school districts of the second class, school districts of the third class, and school districts of the fourth class, in all cases including independent school districts may, in their discretion, by ordinance or resolution, for general revenue purposes, levy, assess and collect or provide for the levying, assessment and collection of such taxes as they shall determine on persons, transactions, occupations, privileges, subjects and personal property within the limits of such political subdivisions, and upon the transfer of real property, or of any interest in real property, situate within the political subdivision levying and assessing the tax, regardless of where the instruments making the transfers are made, executed or delivered or where the actual settlements on such transfer take place. The taxing authority may provide that the transferee shall remain liable for any unpaid realty transfer taxes imposed by virtue of this chapter.

(b) Each local taxing authority may, by ordinance or resolution, exempt any person whose total income from all sources is less than twelve thousand dollars (\$12,000) per annum from the per capita or similar head tax, occupation tax or earned income tax, or any portion thereof, and may adopt regulations for the processing of claims for exemptions.

(c) (1) Each political subdivision levying the local services tax shall exempt the following persons from the local services tax:

(i) Any person who has served in any war or armed conflict in which the United States was engaged and is honorably discharged or released under honorable circumstances from active service if, as a result of military service, the person is blind, paraplegic or a double or quadruple amputee or has a service-connected disability declared by the United States Veterans' Administration or its successor to be a total one hundred percent permanent disability.

(ii) Any person who serves as a member of a reserve component of the armed forces and is called to active duty at any time during the taxable year.

(2) For purposes of this subsection, "reserve component of

the armed forces" shall mean the United States Army Reserve, United States Navy Reserve, United States Marine Corps Reserve, United States Coast Guard Reserve, United States Air Force Reserve, the Pennsylvania Army National Guard or the Pennsylvania Air National Guard.

(d) Each political subdivision levying the local services tax at a rate exceeding ten dollars (\$10) shall, and each political subdivision levying the local services tax at a rate of ten dollars (\$10) or less may, by ordinance or resolution, exempt any person from the local services tax whose total earned income and net profits from all sources within the political subdivision is less than twelve thousand dollars (\$12,000) for the calendar year in which the local services tax is levied.

(e) (1) A person seeking to claim an exemption from the local services tax may annually file an exemption certificate with the political subdivision levying the tax and with the person's employer affirming that the person reasonably expects to receive earned income and net profits from all sources within the political subdivision of less than twelve thousand dollars (\$12,000) in the calendar year for which the exemption certificate is filed. In the event the political subdivision utilizes a tax collection officer pursuant to section 10 of this act, the political subdivision shall provide a copy of the exemption certificate to that officer. The exemption certificate shall have attached to it a copy of all the employe's last pay stubs or W-2 forms from employment within the political subdivision for the year prior to the fiscal year for which the employe is requesting to be exempted from the local services tax. Upon receipt of the exemption certificate and until otherwise instructed by the political subdivision levying the tax or except as required by clause (2), the employer shall not withhold the tax from the person during the calendar year or the remainder of the calendar year for which the exemption certificate applies. Employers shall ensure that the exemption certificate forms are readily available to employes at all times and shall furnish each new employe with a form at the time of hiring. The Department of Community and Economic Development shall develop and make available to political subdivisions and employers uniform exemption certificates required by this clause.

(2) With respect to a person who claimed an exemption for a given calendar year from the local services tax, upon notification to an employer by the person or by the political subdivision that the person has received earned income and net profits from all sources within that political subdivision equal to or in excess of twelve thousand dollars (\$12,000) in that calendar year or that the person is otherwise ineligible for the tax exemption for that calendar year, or upon an employer's payment to the person of earned income within that political subdivision in an amount equal to or in excess of twelve thousand dollars (\$12,000) in that calendar year, an employer shall withhold the local services tax from the person under clause (3).

(3) If a person who claimed an exemption for a given calendar year from the local services tax becomes subject to the tax for the calendar year under clause (2), the employer shall withhold the tax for the remainder of that calendar year. The employer shall withhold from the person, for the first payroll period after receipt of the notification under clause (2), a

lump sum equal to the amount of tax that was not withheld from the person due to the exemption claimed by the person under this subsection, plus the per payroll amount due for that first payroll period. The amount of tax withheld per payroll period for the remaining payroll periods in that calendar year shall be the same amount withheld for other employes. In the event the employment of a person subject to withholding of the tax under this clause is subsequently severed in that calendar year, the person shall be liable for any outstanding balance of tax due, and the political subdivision levying the tax may pursue collection under this act.

(4) Except as provided in clause (2), it is the intent of this subsection that employers shall not be responsible for investigating exemption certificates, monitoring tax exemption eligibility or exempting any employe from a local services tax.

(f) Such local authorities shall not have authority by virtue of this act:

(1) To levy, assess and collect or provide for the levying, assessment and collection of any tax on the transfer of real property when the transfer is by will or mortgage or the intestate laws of this Commonwealth or on a transfer by the owner of previously occupied residential premises to a builder of new residential premises when such previously occupied residential premises is taken in trade by such builder as part of the consideration from the purchaser of a new previously unoccupied single family residential premises or on a transfer between corporations operating housing projects pursuant to the housing and redevelopment assistance law and the shareholders thereof, or on a transfer between nonprofit industrial development agencies and industrial corporations purchasing from them, or on transfer to or from nonprofit industrial development agencies, or on a transfer between husband and wife, or on a transfer between persons who were previously husband and wife but who have since been divorced; provided such transfer is made within three months of the date of the granting of the final decree in divorce, or the decree of equitable distribution of marital property, whichever is later, and the property or interest therein, subject to such transfer, was acquired by the husband and wife, or husband or wife, prior to the granting of the final decree in divorce, or on a transfer between parent and child or the spouse of such a child, or between parent and trustee for the benefit of a child or the spouse of such child, or on a transfer between a grandparent and grandchild or the spouse of such grandchild, or on a transfer between brother and sister or brother and brother or sister and sister or the spouse of such brother or sister, or on a transfer to a conservancy which possesses a tax-exempt status pursuant to section 501(c)(3) of the Internal Revenue Code, and which has as its primary purpose the preservation of land for historic, recreational, scenic, agricultural or open space opportunities, by and between a principal and straw party for the purpose of placing a mortgage or ground rent upon the premises, or on a correctional deed without consideration, or on a transfer to the United States, the Commonwealth of Pennsylvania, or to any of their instrumentalities, agencies or political subdivisions, by gift, dedication or deed in lieu of condemnation, or deed of confirmation in connection with condemnation proceedings, or reconveyance by the condemning body of the property condemned to the owner of record at the time of condemnation which

(i) If a local services tax is levied at a combined rate exceeding ten dollars (\$10) in a calendar year, a person subject to the local services tax shall be assessed a pro rata share of the tax for each payroll period in which the person is engaging in an occupation. The pro rata share of the tax assessed on the person for a payroll period shall be determined by dividing the combined rate of the local services tax levied for the calendar year by the number of payroll periods established by the employer for the calendar year. For purposes of determining the pro rata share, an employer shall round down the amount of the tax collected each payroll period to the nearest one-hundredth of a dollar. Collection of the local services tax levied under this subclause shall be made on a payroll period basis for each payroll period in which the person is engaging in an occupation, except as provided in subclause (v).

(ii) If a school district levied an emergency and municipal services tax on the effective date of this subclause, the school district may continue to levy the local services tax in the same amount the school district collected on the effective date of this subclause. However, if a municipality located in whole or in part within the school district subsequently levies the local services tax, the school district may only collect five dollars (\$5) on persons employed within the municipality each calendar year. A school district that did not levy an emergency and municipal services tax on the effective date of this subclause shall be prohibited from levying the local services tax. If a school district and a municipality located in whole or in part within the school district both levy a local services tax at a combined rate exceeding ten dollars (\$10), the school district's pro rata share of the aggregate local services taxes levied on persons employed within the municipality shall be collected by the municipality or its tax officer based on payroll periods as provided under subclause (i) and shall be paid to the school district on a quarterly basis within sixty days of receipt by the municipality or its tax officer.

(iii) Except as provided in subclause (ii), no person shall be subject to the payment of the local services tax by more than one political subdivision during each payroll period as established by subclause (iv).

(iv) With respect to a person subject to the local services tax at a combined rate exceeding ten dollars (\$10), the situs of

the tax shall be the place of employment on the first day the person becomes subject to the tax during each payroll period. With respect to a person subject to the local services tax at a combined rate of not more than ten dollars (\$10), the situs of the tax shall be the place of employment determined as of the day the person first becomes subject to the tax during the calendar year. In the event a person is engaged in more than one occupation, that is, concurrent employment, or an occupation which requires the person working in more than one political subdivision during a payroll period, the priority of claim to collect the local services tax shall be in the following order: first, the political subdivision in which a person maintains the person's principal office or is principally employed; second, the political subdivision in which the person resides and works, if the tax is levied by that political subdivision; and third, the political subdivision in which a person is employed and which imposes the tax nearest in miles to the person's home.

(v) In the case of concurrent employment, an employer shall refrain from withholding the local services tax if the employe provides a recent pay statement from a principal employer that includes the name of the employer, the length of the payroll period and the amount of the local services tax withheld and a statement from the employe that the pay statement is from the employe's principal employer and the employe will notify other employers of a change in principal place of employment within two weeks of its occurrence. The Department of Community and Economic Development shall develop a uniform employe statement form.

A political subdivision shall provide a taxpayer a receipt of payment upon request by the taxpayer.

(vii) Political subdivisions shall adopt regulations for the processing of refund claims for overpaid local services taxes for any calendar year. The regulations shall be consistent with 53 Pa.C.S. §§ 8425 (relating to refunds of overpayments) and 8426 (relating to interest on overpayment). Refunds made within seventy-five days of a refund request or seventy-five days after the last day the employer is required to remit the local services tax for the last quarter of the calendar year under section 312 of this act, whichever is later, shall not be subject to interest imposed under 53 Pa.C.S. § 8426. Political subdivisions shall only provide refunds for amounts overpaid in a calendar year that exceed one dollar (\$1).

(viii) The Department of Community and Economic Development shall provide suggested forms and technical assistance to facilitate the administration of the local services tax for political subdivisions and reduce the burden of implementation, accounting and compliance for employers and taxpayers.

(ix) For purposes of this clause, "combined rate" shall mean the aggregate annual rate of the local services tax levied by a school district and a municipality located in whole or in part within the school district.

(13) To levy, assess or collect an amusement or admissions tax on membership, membership dues, fees or assessments, donations, contributions or monetary charges of any character whatsoever paid by the general public, or a limited or selected number thereof, for such persons to enter into any place, indoors or outdoors, to engage in any activities, the predominant purpose or nature of which is exercise, fitness, health maintenance, improvement or rehabilitation, health or nutrition education, or weight control.

Section 302. Recapture of Tax.--(a) Notwithstanding the provisions of section 301.1(f)(1), if any stock of a family farm corporation is transferred to a person who is not a family member within ten years from the date of the conveyance from a sole proprietor family member to a family farm corporation, the tax imposed by this article shall become immediately due and payable.

(b) (Deleted by amendment).

(302 renumbered from 2.1 and amended July 2, 2008, P.L.197, No.32)

Section 303. Payroll Tax.--(a) A city of the second class may levy, assess or collect a tax that does not exceed fifty-five hundredths percent on payroll amounts generated as a result of an employer conducting business activity within a city of the second class. For purposes of a payroll tax levied, assessed or collected by a city of the second class, the business activity shall be directly attributable to activity within a city of the second class. For purposes of computation of the payroll tax imposed pursuant to this section, the payroll amount attributable to the city shall be determined by applying an apportionment factor to total payroll expense based on that portion of payroll expense which the total number of days an employe, partner, member, shareholder or other individual works within the city bears to the total number of days such employe or person works within and outside of the city.

(a.1) A charitable organization that qualifies for tax exemption pursuant to the act of November 26, 1997 (P.L.508, No.55), known as the "Institutions of Purely Public Charity Act," shall calculate the tax that would otherwise be attributable to the city, but shall only pay the tax on that portion of its payroll expense attributable to business activity for which a tax may be imposed pursuant to section 511 of the Internal Revenue Code of 1986 (Public Law 99-514, 26 U.S.C. § 1 et seq.). If the charity has purchased or is operating branches, affiliates, subsidiaries or other business entities that do not independently meet the standards of the "Institutions of Purely Public Charity Act," the tax shall be paid on the payroll attributable to such for-profit branches, affiliates or subsidiaries, whether or not the employes are leased or placed under the auspices of the charity's umbrella or parent organization. Nothing in this subsection shall restrict the ability of a charitable organization to contract with the city to provide services to the city in lieu of some or all taxes due under this section.

(b) For purposes of the payroll tax assessed pursuant to this section, an employer is conducting business within a city of the second class if the employer engages, hires, employs or contracts with one or more individuals as employes and, in addition, the employer does at least one of the following:

- (1) maintains a fixed place of business within the city;
- (2) owns or leases real property within the city for purposes of such business;

(3) maintains a stock of tangible personal property in the city for sale in the ordinary course of such business;

(4) conducts continuous solicitation within the city related to such business; or

(5) utilizes the streets of the city in connection with the operation of such business other than transportation through the city.

(c) All employers in a city of the second class shall file quarterly returns and make quarterly payments as provided for by ordinance enacted by a city of the second class. Every employer making a return shall certify the correctness thereof. A city of the second class may audit, examine or inspect the books, records or accounts of all employers subject to the tax imposed pursuant to this section.

(d) A city of the second class may enact ordinances and regulations necessary to implement this section. The ordinance levying the tax authorized by this section shall permanently replace the city's existing mercantile tax and shall reduce the business privilege tax rate as follows:

(1) In tax years 2005 and 2006, the business privilege tax shall be two mills.

(2) In tax years 2007, 2008 and 2009, the business privilege tax shall be one mill unless the revenues collected from the payroll expense tax exceed fifty million five hundred thousand dollars (\$50,500,000) in any fiscal year, at which time the business privilege tax shall be replaced for the subsequent fiscal year. After the phaseout of the business privilege tax, all amounts of moneys in excess of fifty million five hundred thousand dollars (\$50,500,000) shall be used by the city of the second class to further accelerate the reduction of the tax imposed by the city of the second class on parking as provided in section 308.

(3) In tax year 2010 and thereafter, the business privilege tax may not be imposed.

(e) All taxes, additions and penalties collected pursuant to this section shall be used by a city of the second class exclusively for the general revenue purposes of the city.

(f) An employer shall not offset the amount of tax paid pursuant to this section by reducing compensation or benefits paid to employes.

(g) A city of the second class may bring suit for the recovery of taxes due and unpaid under this section. Any suit brought to recover the tax imposed by this section shall be commenced within three years after such tax is due or within three years after the declaration or return has been filed, whichever is later: Provided, however, That this limitation shall not prevent the institution of a suit for the collection of any tax due or determined to be due in the following cases:

(1) Where no declaration or return was filed by any person although a declaration or return was required to be filed by him under provisions of this section, there shall be no limitation.

(2) Where an examination of the declaration or return filed by any person or of other evidence relating to such declaration or return in the possession of the city of the second class reveals a fraudulent evasion of taxes, there shall be no limitation.

(3) In the case of substantial understatement of tax liability of twenty-five percent or more and no fraud, suit shall be begun within six years.

(4) This section shall not be construed to limit the governing body from recovering delinquent taxes by any other means provided by law.

(h) If for any reason the payroll tax is not paid when due, interest at the rate of six percent per annum on the amount of said tax and an additional penalty of one percent of the amount of the unpaid tax for each month or fraction thereof during which the tax remains unpaid shall be added and collected. Where suit is brought for the recovery of any such tax, the employer shall, in addition, be liable for the costs of collection and the interest and penalties herein imposed. A city of the second class may, by ordinance or resolution, establish a one-time period during which interest or interest and penalties that would otherwise be imposed for the nonreporting or underreporting of payroll tax liabilities or for the nonpayment of payroll taxes previously imposed and due shall be waived in total or in part if the taxpayer voluntarily files delinquent returns and pays the taxes in full during the period so established.

(i) In addition to any other additions, penalties or enforcement proceedings provided for by ordinance of a city of the second class or a law of this Commonwealth for the collection and enforcement of taxes or the submission of information to a government entity:

(1) Any employer who wilfully makes any false or untrue statement on the employer's return commits a misdemeanor of the second degree and shall, upon conviction, be sentenced to pay a fine of not more than two thousand dollars (\$2,000) or to imprisonment for not more than two years, or both.

(2) Any employer who wilfully fails or refuses to file a return required by this section commits a misdemeanor of the third degree and shall, upon conviction, be sentenced to pay a fine of not more than one thousand dollars (\$1,000) or to imprisonment for not more than one year, or both.

(3) Any person who wilfully fails or refuses to appear before the collector in person with the employer's books, records or accounts for examination when required under the provisions of this section or of an ordinance to do so, or who wilfully refuses to permit inspection of the books, records or accounts of any employer in the person's custody or control when the right to make such inspection by the collector is requested, commits a misdemeanor and shall, upon conviction, be sentenced to pay a fine of not more than five hundred dollars (\$500) or to imprisonment for not more than six months, or both.

(j) As used in this section:

"Employer" means all persons conducting business activity within a city of the second class except for a governmental entity.

"Payroll amounts" means all amounts paid by an employer as salaries, wages, commissions, bonuses, net earnings and incentive payments, whether based on profits or otherwise, fees and similar remuneration for services rendered, whether directly or through an agent and whether in cash, in property or the right to receive property.

Section 304. Nonresident Sports Facility Usage Fee.--A city of the second class in which is located a sports stadium or arena that has received public funds in connection with its

construction or maintenance may enact a publicly funded facility usage fee upon those nonresident individuals who use such facility to engage in an athletic event or otherwise render a performance for which they receive remuneration. The fee may be a flat dollar amount or a percentage of the individual's income attributable to such individual's usage of the facility. If the fee is a percentage, it may not exceed three percent of the earned income of the individual attributable to the usage of the facility. If any fee is imposed, those individuals liable for the fee shall be exempt from any earned income tax imposed by the city of the second class pursuant to this chapter and any such tax imposed under section 652.1 of the act of March 10, 1949 (P.L.30, No.14), known as the "Public School Code of 1949." Should a court of competent jurisdiction determine this provision to be invalid for any reason, persons subject to the publicly funded facility usage fee shall not be exempt from any previously applicable earned income tax.

Section 305. Vacation of Tax Ordinances and Resolutions by State Tax Measures.--If, subsequent to the passage of any ordinance or resolution under the authority of this chapter, the General Assembly shall impose a tax or license fee on any privilege, transactions, subject or occupation, or on personal property or on sales of admission to places of amusement or on sales or other transfer of title or possession of property taxed by any such political subdivision hereunder, the act of Assembly imposing the State tax or license fee thereon shall automatically vacate the ordinance or resolution passed under the authority of this chapter as to all taxes accruing subsequent to the end of the current fiscal year of such political subdivision. It is the intention of this section to confer upon such political subdivision the power to levy, assess and collect taxes upon any and all subjects of taxation, except as above restricted and limited, which the Commonwealth has power to tax but which it does not tax or license, subject only to the foregoing provision that any tax or license shall automatically terminate at the end of the current fiscal year of the political subdivision.

(305 renumbered from 3 and amended July 2, 2008, P.L.197, No.32)

Section 306. Advertisement of Intention to Adopt Tax Ordinance or Resolution.--Prior to the passage of any ordinance or the adoption of any resolution imposing a tax or license fee under the authority hereunder granted, such political subdivision shall give notice of the intention to pass such ordinance or adopt such resolution. Such notice shall be given in addition to all other notices required by law to be given and shall set forth the substantial nature of the tax or license fee to be imposed by the proposed ordinance or resolution, the reason which, in the judgment of the officials of the subdivision, necessitates the imposition of the tax, and the amount of revenue estimated to be derived from the tax. Publication of such notice shall be made by advertisement once a week for three weeks in a newspaper of general circulation within such political subdivision if there is such newspaper and, if there is not, then such publication shall be made in a newspaper of general circulation within the county in which the advertising political subdivision is located.

Every such tax shall continue in force on a calendar or fiscal year basis, as the case may be, without annual reenactment unless the rate of the tax is subsequently changed.

(306 renumbered from 4 July 2, 2008, P.L.197, No.32)

Section 307. Rate, Amount, Court Approval; Revision of Budget.--Any tax imposed under this chapter shall not be subject to any limitations under existing laws as to rate or amount or as to the necessity of securing court approval or as to budgetary requirements. Any city, borough or township imposing a tax under this chapter may revise its budget during any fiscal year by increasing or making additional appropriations from funds to be provided from such tax.

The ordinance or resolution may be passed or adopted prior to the beginning of the fiscal year and prior to the preparation of the budget when desirable.

Every ordinance or resolution which imposed a tax under the authority of this chapter shall be passed or adopted, if for a school district, during the period other school taxes are required by law to be levied and assessed by such district. Each ordinance and resolution shall state that it is enacted under the authority of this chapter, known as "The Local Tax Enabling Act".

- (2) In tax year 2008, the rate of tax shall not exceed 40%.

Section 309. Appeals by Taxpayers.--No tax levied for the first time by any political subdivision to which this chapter applies shall go into effect until thirty days from the time of the adoption of the ordinance or resolution levying the tax. Within said thirty days, taxpayers representing twenty-five percent or more of the total valuation of real estate in the political subdivision as assessed for taxation purposes, or taxpayers of the political subdivision not less than twenty-five in number aggrieved by the ordinance or resolution shall have the right to appeal therefrom to the court of quarter sessions of the county upon giving bond with sufficient security in the amount of five hundred dollars (\$500), approved by the court, to prosecute the appeal with effect and for the payment of costs. The petition shall set forth the objections to the tax and the facts in support of such objections, and shall be accompanied by the affidavit of at least five of the petitioners that the averments of the petition are true and the petition is not filed for the purpose of delay.

No such appeal shall act as a supersedeas unless specifically allowed by the court to which the appeal is taken or a judge thereof.

Immediately upon the filing of any such petition, the petitioners shall serve a copy of the petition and any rule granted by the court upon the president, chairman, secretary or

clerk of the legislative body levying the tax.

The court shall fix a day for a hearing not less than fifteen days nor more than thirty days after the filing of the petition. Notice of the time of such hearing shall be given to all interested parties as the court shall direct. The court shall promptly hear and dispose of the appeal.

It shall be the duty of the court to declare the ordinance and the tax imposed thereby to be valid unless it concludes that the ordinance is unlawful or finds that the tax imposed is excessive or unreasonable; but the court shall not interfere with the reasonable discretion of the legislative body in selecting the subjects or fixing the rates of the tax. The court may declare invalid all or any portion of the ordinance or of the tax imposed or may reduce the rates of tax.

Section 310. Filing of Certified Copies of Ordinances and Resolutions.--When an ordinance or a resolution is first passed or adopted by a political subdivision imposing a tax or license fee under the authority of this chapter, an exact printed or typewritten copy thereof, certified to by the secretary of the taxing body, shall be filed with the Department of Community and Economic Development within fifteen days after the same becomes effective.

Any secretary or person acting as the clerk or secretary of the taxing body of any political subdivision during the meeting at which an ordinance or resolution imposing a tax or license fee is passed or adopted as herein provided who shall fail to file the certified copy or statement relative thereto with the Department of Community and Economic Development as herein required, shall, upon summary conviction thereof in the county in which the political subdivision is located, be sentenced to pay a fine of not less than five dollars (\$5) nor more than twenty-five dollars (\$25), and the costs of prosecution.

(310 renumbered from 7 and amended July 2, 2008, P.L.197, No.32)

Section 311. Limitations on Rates of Specific Taxes.--No taxes levied under the provisions of this chapter shall be levied by any political subdivision on the following subjects exceeding the rates specified in this section:

(1) Per capita, poll or other similar head taxes, ten dollars (\$10).

(2) On each dollar of the whole volume of business transacted by wholesale dealers in goods, wares and merchandise, one mill, by retail dealers in goods, wares and merchandise and by proprietors of restaurants or other places where food, drink and refreshments are served, one and one-half mills; except in cities of the second class, where rates shall not exceed one mill on wholesale dealers and two mills on retail dealers and proprietors. No such tax shall be levied on the dollar volume of business transacted by wholesale and retail dealers derived from the resale of goods, wares and merchandise, taken by any dealer as a trade-in or as part payment for other goods, wares and merchandise, except to the extent that the resale price exceeds the trade-in allowance. When a political subdivision which currently levies, assesses or collects a mercantile or business privilege tax on gross receipts under section 533 of the act of December 13, 1988 (P.L.1121, No.145), known as the "Local Tax Reform Act," merges with one or more political subdivisions to

form a new political subdivision on or after August 1, 2008, the new political subdivision may levy that mercantile or business privilege tax, but not at a rate greater than the rate necessary to generate the same revenues generated in the last fiscal year that the merging political subdivision generated before the merger. If the merging political subdivision had previously shared the rate of taxation with another political subdivision, the nonmerging political subdivision which had shared the rate is capped at the rate it was previously levying. ((2) amended Oct. 15, 2008, P.L.1615, No.130)

(3) On wages, salaries, commissions and other earned income of individuals, one percent.

(4) On retail sales involving the transfer of title or possession of tangible personal property, two percent.

(5) On the transfer of real property, one percent.

(6) On admissions to places of amusement, athletic events and the like, and on motion picture theatres in cities of the second class, ten percent.

(7) Flat rate occupation taxes not using a millage or percentage as a basis, ten dollars (\$10).

(8) Local services taxes, fifty-two dollars (\$52).

(9) On admissions to ski facilities, ten percent. The tax base upon which the tax shall be levied shall not exceed forty percent of the cost of the lift ticket. The lift ticket shall include all costs of admissions to the ski facility.

(10) On admissions to golf courses, ten percent. The tax base upon which the tax shall be levied shall not exceed forty percent of the greens fee. The greens fee shall include all costs of admissions to the golf course.

(12) On payrolls, fifty-five hundredths percent.

Except as otherwise provided in this chapter, at any time two political subdivisions shall impose any one of the above taxes on the same person, subject, business, transaction or privilege, located within both such political subdivisions, during the same year or part of the same year, under the authority of this chapter then the tax levied by a political subdivision under the authority of this chapter shall, during the time such duplication of the tax exists, except as hereinafter otherwise provided, be one-half of the rate, as above limited, and such one-half rate shall become effective by virtue of the requirements of this chapter from the day such duplication becomes effective without any action on the part of the political subdivision imposing the tax under the authority of this chapter. When any one of the above taxes has been levied under the provisions of this chapter by one political subdivision and a subsequent levy is made either for the first time or is revived after a lapse of time by another political subdivision on the same person, subject, business, transaction or privilege at a rate that would make the combined levies exceed the limit allowed by this subdivision, the tax of the second political subdivision shall not become effective until the end of the fiscal year for which the prior tax was levied, unless:

(1) Notice indicating its intention to make such levy is given to the first taxing body by the second taxing body as follows: (i) when the notice is given to a school district it shall be given at least forty-five days prior to the last day fixed by law for the levy of its school taxes; (ii) when given to any other political subdivision it shall be prior to the

first day of January immediately preceding, or if a last day for the adoption of the budget is fixed by law, at least forty-five days prior to such last day; or

(2) Unless the first taxing body shall indicate by appropriate resolution its desire to waive notice requirements in which case the levy of the second taxing body shall become effective on such date as may be agreed upon by the two taxing bodies.

It is the intent and purpose of this provision to limit rates of taxes referred to in this section so that the entire burden of one tax on a person, subject, business, transaction or privilege shall not exceed the limitations prescribed in this section: Provided, however, That any two political subdivisions which impose any one of the above taxes, on the same person, subject, business, transaction or privilege during the same year or part of the same year may agree among themselves that, instead of limiting their respective rates to one-half of the maximum rate herein provided, they will impose respectively different rates, the total of which shall not exceed the maximum rate as above permitted.

Notwithstanding the provisions of this section, any city of the second class A may enact a tax upon wages, salaries, commissions and other earned income of individuals resident therein, not exceeding one percent, even though a school district levies a similar tax on the same person provided that the aggregate of both taxes does not exceed two percent.

(311 renumbered from 8 and amended July 2, 2008, P.L.197, No.32)

Section 312. Register for and Withholding of Local Services Taxes.--It shall be the duty of the Department of Community and Economic Development to have available an official continuing register supplemented annually of all local services taxes levied under authority of this chapter. The register and its supplements, hereinafter referred to as the register, shall list such jurisdictions levying local services taxes, the rate of the tax as stated in the tax levying ordinance or resolution, and the effective rate on resident and nonresident taxpayers, if different from the stated rate because of a coterminous levy, the name and address of the officer responsible for administering the collection of the tax and from whom information, forms for reporting and copies of rules and regulations are available. With each jurisdiction listed, all jurisdictions making coterminous levies shall also be noted and their tax rates shown.

Information for the register shall be furnished by the secretary of each taxing body to the Department of Community and Economic Development in such manner and on such forms as the Department of Community and Economic Development may prescribe. The information must be received by the Department of Community and Economic Development by certified mail not later than May 31 of each year to show new tax enactments, repeals and changes. Failure to comply with this date for filing may result in the omission of the levy from the register for that year. Failure of the Department of Community and Economic Development to receive information of taxes continued without change may be construed by the department to mean that the information contained in the previous register remains in force.

The Department of Community and Economic Development shall have the register with such annual supplements as may be

required by new tax enactments, repeals or changes available upon request not later than July 1 of each year. The effective period for each register shall be from July 1 of the year in which it is issued to June 30 of the following year.

Employers shall not be required by any local ordinance to withhold from the wages, salaries, commissions or other compensation of their employes any tax imposed under the provisions of this act, which is not listed in the register, or make reports of wages, salaries, commissions or other compensation in connection with taxes not so listed: Provided, That if the register is not available by July 1, the register of the previous year shall continue temporarily in effect for an additional period not to exceed one year. The provisions of this section shall not affect the liability of any taxpayer for taxes lawfully imposed under this act.

Ordinances or resolutions imposing local services taxes under authority of this chapter may contain provisions requiring employers doing business within the jurisdiction of the political subdivision imposing the tax to withhold the tax from the compensation of those of their employes who are subject to the tax: Provided, That no employer shall be held liable for failure to withhold the local services tax or for the payment of the withheld tax money to a political subdivision if the failure to withhold taxes arises from incorrect information submitted by the employe as to the employe's place or places of employment, the employe's principal office or where the employe is principally employed: And provided further, That an employer shall not be liable for payment of the local services tax in an amount exceeding the amount withheld by the employer if the employer complies with the provisions of section 301.1(e) and (f)(9) and remits the amount so withheld in accordance with this section: And provided further, That the local services tax shall be applicable to employment in the period beginning January 1, of the current year and ending December 31 of the current year, except that taxes imposed for the first time shall become effective from January 1 of the year specified in the ordinance or resolution, and the tax shall continue in force on a calendar year basis: And provided further, That employers shall be required to remit the local services taxes thirty days after the end of each quarter of a calendar year.

Each ordinance or resolution under this section authorizing a political subdivision, public employe, tax bureau or public or private agency to act in the capacity and with the authority of a tax collector shall continue in force without annual reauthorization unless otherwise repealed or revoked by the political subdivision or unless otherwise provided by this act.

Payment of Tax to Other Political Subdivisions or States as Credit or Deduction; Withholding Tax.--Payment of any tax to any political subdivision pursuant to an ordinance or resolution passed or adopted prior to the effective date of this act shall be credited to and allowed as a deduction from the liability of taxpayers for any like tax respectively on salaries, wages, commissions, other compensation or on net profits of businesses, professions or other activities and for any income tax imposed by any other political subdivision of this Commonwealth under the authority of this chapter.

In school districts of the second class, third class and fourth class and in any political subdivision within a county where no market values of real estate have been determined by the board for the assessment and revision of taxes, or any similar board, the aggregate amount of all taxes imposed under this section and in effect during any fiscal year shall not exceed an amount equal to the product obtained by multiplying the latest total market valuation of real estate in such school district, or other political subdivision, as certified by the State Tax Equalization Board, by twelve mills. In the year in which an ordinance is adopted in accordance with paragraph (1), the assessor shall provide the certified report after being notified by the municipality of its decision to provide a homestead and farmstead exclusion. In each succeeding year, the assessor shall provide the certified report by December 1, or at the same time the tax duplicate is certified to the municipality, whichever occurs first. (b) Calculation of maximum earned income tax rate.--The maximum earned income tax rate shall be determined by taking the sum of the rates calculated under paragraphs (1) and (2) and limited by paragraph (3):

(1) The rate of the earned income tax that would have resulted in the collection by the political subdivision of an amount equal to the amount collected from the occupation tax. The calculation by a school district under this paragraph shall be made using actual revenue collections for the fiscal year ending in 2002. (1) The rate of the income tax that would have resulted in the collection by the political subdivision of an amount equal to the amount collected from the occupation tax. The calculation by a school district under this paragraph shall be made using actual revenue collections for the fiscal year ending in 2009. The calculation by a municipality under this paragraph shall be made using actual revenue collections for the calendar year ending December 31, 2008.

The maximum rate of the income tax calculated under this subsection shall not be subject to the limits on the earned income tax specified under section 311(3).

(c) Other rates of taxation.--If a municipality or school district, both of which impose an earned income tax on the same individual under this act or the Taxpayer Relief Act and both of which are limited to or have agreed upon a division of the tax rate in accordance with section 311 or 304 of the Taxpayer Relief Act, and the municipality or school district receives voter approval under section 407 and opts to increase the rate of income tax in excess of that limit or agreement, then the municipality or school district which does not receive voter approval shall remain subject to that limit or agreement.

(1) Give public notice of its intent to adopt the resolution in the manner provided under section 306.

Section 407. Binding referendum.

(a) Referendum to be held.--A political subdivision may increase the maximum rate of the income tax only by obtaining the approval of the electorate of the affected political subdivision in a public referendum at the general or municipal election preceding the fiscal year when the maximum rate of the income tax will be increased. The election officials shall cause a question to be placed on the ballot at the first general or municipal election occurring at least 90 days after their receipt of the resolution required under section 406.

(b) Contents of question.--The referendum question must state the maximum rate of the income tax calculated under section 404 and that the additional revenue generated by an increase in the income tax will be used to eliminate the occupation tax. The question shall be in clear language that is readily understandable by a layperson. For the purpose of illustration, a referendum question may be framed as follows:

Do you favor increasing the rate of the (earned or personal) income tax to a maximum of X%, with the requirement that the increase be used to eliminate the occupation tax?

(c) Vote.--If a majority of the electors voting on the question vote "yes," then the governing body shall be authorized to implement an increase in the income tax pursuant to section 404 and shall be required to eliminate the occupation tax as required under section 405. If a majority of the electors voting on the question vote "no," the governing body shall have no authority to increase the rate of the income tax above the maximum rate otherwise provided by law.

section 331.2 or 332 of the Taxpayer Relief Act is approved by the electorate under the Taxpayer Relief Act.

Section 502. Declaration and payment of income taxes.

(a) Application.--

(1) Income taxes shall be applicable to taxable income earned or received based on the method of accounting used by the taxpayer in the period beginning January 1 of the current year and ending December 31 of the current year, except that taxes imposed for the first time and changes to existing tax rates shall become effective on January 1 or July 1, as specified in the ordinance or resolution, and the tax shall continue in force on a calendar year or taxpayer fiscal year basis, without annual reenactment, unless the rate of the tax is subsequently changed.

(2) For a taxpayer whose fiscal year is not a calendar year, the tax officer shall establish deadlines for filing, reporting and payment of taxes which provide time periods equivalent to those provided for a calendar year taxpayer.

(b) Partial domicile.--The taxable income subject to tax of a taxpayer who is domiciled in a political subdivision for only a portion of the tax year shall be an amount equal to the taxpayer's taxable income multiplied by a fraction, the numerator of which is the number of calendar months during the tax year that the individual is domiciled in the political subdivision, and the denominator of which is 12. A taxpayer shall include in the numerator any calendar month during which the taxpayer is domiciled for more than half the calendar month. A day that a taxpayer's domicile changes shall be included as a day the individual is in the new domicile and not the old domicile. If the number of days in the calendar month in which the individual lived in the old and new domiciles are equal, the calendar month shall be included in calculating the number of months in the new domicile.

(c) Declaration and payment.--Except as provided in subsection (a)(2), taxpayers shall declare and pay income taxes as follows:

(1) Every taxpayer shall, on or before April 15 of the succeeding year, make and file with the resident tax officer, a final return showing the amount of taxable income received during the period beginning January 1 of the current year and ending December 31 of the current year, the total amount of tax due on the taxable income, the amount of tax paid, the amount of tax that has been withheld under section 512 and

the balance of tax due. All amounts reported shall be rounded to the nearest whole dollar. At the time of filing the final return, the taxpayer shall pay the resident tax officer the balance of the tax due or shall make demand for refund or credit in the case of overpayment.

(2) (i) Every taxpayer making net profits shall, by April 15 of the current year, make and file with the resident tax officer a declaration of the taxpayer's estimated net profits during the period beginning January 1 and ending December 31 of the current year, and shall pay to the resident tax officer in four equal quarterly installments the tax due on the estimated net profits. The first installment shall be paid at the time of filing the declaration, and the other installments shall be paid on or before June 15 of the current year, September 15 of the current year and January 15 of the succeeding year, respectively.

(ii) Any taxpayer who first anticipates any net profit after April 15 of the current year shall make and file the declaration required on or before June 15 of the current year, September 15 of the current year or December 31 of the current year, whichever date next follows the date on which the taxpayer first anticipates such net profit, and shall pay to the resident tax officer in equal installments the tax due on or before the quarterly payment dates that remain after the filing of the declaration.

(iii) Every taxpayer shall, on or before April 15 of the succeeding year, make and file with the resident tax officer a final return showing the amount of net profits earned or received based on the method of accounting used by the taxpayer during the period beginning January 1 of the current year, and ending December 31 of the current year, the total amount of tax due on the net profits and the total amount of tax paid. At the time of filing the final return, the taxpayer shall pay to the resident tax officer the balance of tax due or shall make demand for refund or credit in the case of overpayment. Any taxpayer may, in lieu of paying the fourth quarterly installment of the estimated tax, elect to make and file with the resident tax officer on or before January 31 of the succeeding year, the final return.

(iv) The department, in consultation with the Department of Revenue, shall provide by regulation for the filing of adjusted declarations of estimated net profits and for the payments of the estimated tax in cases where a taxpayer who has filed the declaration required under this subsection anticipates additional net profits not previously declared or has overestimated anticipated net profits.

(v) Every taxpayer who discontinues business prior to December 31 of the current year, shall, within 30 days after the discontinuance of business, file a final return as required under this paragraph and pay the tax due.

(3) Every taxpayer who receives any other taxable income not subject to withholding under section 512(3) shall make and file with the resident tax officer a quarterly return on or before April 15 of the current year, June 15 of the current year, September 15 of the current year, and January

15 of the succeeding year, setting forth the aggregate amount of taxable income not subject to withholding by the taxpayer during the three-month periods ending March 31 of the current year, June 30 of the current year, September 30 of the current year, and December 31 of the current year, respectively, and subject to income tax, together with such other information as the department may require. Every taxpayer filing a return shall, at the time of filing the return, pay to the resident tax officer the amount of income tax due. The department shall establish criteria under which the tax officer may waive the quarterly return and payment of the income tax and permit a taxpayer to file the receipt of taxable income on the taxpayer's annual return and pay the income tax due on or before April 15 of the succeeding year.

A municipality shall be included in the tax collection district in which its school district is located. If a municipality is located in more than one school district, each of which is in a different tax collection district, the portion of the municipality in each school district shall be included in the tax collection district for that school district. By January 16, 2009, the list shall be transmitted to the Legislative Reference Bureau for publication in the Pennsylvania Bulletin, and by January 28, 2009, the list shall be made available on the department's Internet website.

(b) Counties of the second class.--Each county of the second class with a population of more than 1,000,000 persons, and which also contains a city of the second class, shall be divided into four tax collection districts, each to be as consistent as practicable with the general rules pertaining to municipalities and school districts contained in subsection (a), and to be further established as follows:

(1) One district shall be comprised of a city of the second class and any municipality and school district geographically located within the boundaries of such city.

(2) The remainder of the county shall be divided into three tax collection districts of relatively equal population which contain coterminous municipalities and school districts that are bordered by the county boundaries and by commercially navigable rivers which are at least 100 miles in length.

(3) The department shall develop a map and a list of all tax collection districts in each county of the second class and the political subdivisions in each tax collection district. By January 16, 2009, the list shall be transmitted

to the Legislative Reference Bureau for publication in the Pennsylvania Bulletin and by January 28, 2009, the list shall be made available on the department's Internet website.

(c) Existing consolidated collection arrangements.-- Notwithstanding the provisions of subsection (a), in any county in which, on the effective date of this section, all political subdivisions levying an income tax, including a county school district located partially outside of but contiguous to the county, are served by one existing tax bureau, the county tax collection district shall also include such a school district and all of its component municipalities in the event a tax collection committee is established for that county pursuant to section 505(m).

The procedures shall supersede any contrary resolutions or ordinances adopted by a political subdivision. This authority shall not be construed to permit a tax collection committee to change the rate or subject of any tax.

(a.2) Powers.--A tax collection committee has the following powers:

(1) To adopt, amend and repeal resolutions to carry out its powers and duties under this section.

(2) To create a tax bureau and to provide for its operation and administration. The department shall, upon request of a tax collection committee, provide technical assistance to the tax collection committee in the creation of a tax bureau.

The governing body of each political subdivision that after June 30, 2009, imposes an income tax for the first time shall appoint one voting delegate and one or more alternates to represent the political subdivision on the tax collection committee. A voting delegate or alternate shall serve at the pleasure of the governing body of the political subdivision.

(2) The governing body of each political subdivision within a tax collection district that prior to July 1, 2009, does not impose an income tax may appoint one nonvoting delegate and one or more alternates to represent the political subdivision on the tax collection committee. If, after June 30, 2009, the political subdivision imposes an income tax, the nonvoting delegate shall become a voting delegate to represent the political subdivision on the tax collection committee.

(b.1) Quorum.--Unless otherwise provided for in the bylaws of a tax collection committee, a majority of the delegates of a tax collection committee appointed under subsection (b)(1) constitutes a quorum. A quorum must be present in order to take official action.

(b.2) Lack of quorum at first meeting.--If a quorum is not present at the first meeting, the chair of the governing body of the county in which the tax collection district is located or the chair's designee shall reschedule the meeting within three weeks. The chair or the chair's designee shall provide, by first class mail, notice of the rescheduled meeting to the department and to the governing bodies of all political subdivisions in the tax collection district on a form prescribed by the department. The form shall include the date, time and location of the rescheduled meeting and a notice that the delegates present at the rescheduled meeting shall constitute a quorum. The rescheduled meeting shall be deemed to be the first meeting for purposes of this chapter.

(c) Voting rights.--

(1) Only a delegate appointed by the governing body of a political subdivision may represent a political subdivision

at a tax collection committee meeting. If a delegate cannot be present for a tax collection committee meeting, the alternate appointed under this section may represent the political subdivision. Each delegate or alternate shall be entitled to vote upon any action authorized or required of the tax collection committee under this chapter.

(2) For the first meeting of the tax collection committee, actions of the tax collection committee shall be determined by a majority vote of those delegates present. Votes shall be weighted among the governing bodies of the member political subdivisions according to the following formula: 50% shall be allocated according to the proportional population of each political subdivision in proportion to the population of each tax collection district as determined by the most recent Federal decennial census data and 50% shall be weighted in direct proportion to income tax revenues collected in each political subdivision, based on each political subdivision's most recent annual financial report submitted to the department or the Department of Education. For subsequent meetings, votes shall be taken in accordance with this paragraph unless the bylaws provide otherwise.

(3) No later than September 1, 2009, the department shall calculate the weighted vote for each political subdivision within each tax collection district based on the formula specified in paragraph (2). By July 1 of the year following the first meeting, and of each year thereafter, each tax collection committee shall recalculate the weighted vote unless the bylaws provide for a more frequent recalculation.

(4) If a political subdivision within the tax collection district imposes an income tax for the first time, the tax collection committee shall recalculate the weighted vote or other method of voting under the bylaws.

(d) First meeting schedule.--The first meeting of the tax collection committee in each tax collection district shall be on or before November 15, 2009. The chair of the county commissioners or the chief executive of the county in which the tax collection district is primarily located or the chair's designee shall schedule the first meeting of the tax collection committee and shall provide, at least 21 days before the meeting, public notice, as required by 65 Pa.C.S. § 703 (relating to definitions), and notice by first class mail by September 15, 2009, to the department and to the governing body of each political subdivision located in the tax collection district.

(e) First meeting agenda.--The chair of the county commissioners or the chair's designee or the chief executive of the county or his designee shall convene the first meeting of the tax collection committee, conduct the meeting and record all votes until a chairperson, vice chairperson and secretary are elected by the tax collection committee. The voting delegates of the tax collection committee shall elect a chairperson and a vice chairperson, each of whom must be duly appointed voting delegates, and a secretary who need not be a duly appointed voting delegate. The chairperson shall schedule meetings, set the agenda, conduct meetings, record votes and perform other duties as determined by the tax collection committee. The secretary shall maintain the minutes and records of the tax collection committee and provide public notices and all notices

to each delegate and alternate appointed to the tax collection committee.

(f) Bylaws.--No later than April 15, 2010, the delegates of each tax collection committee shall adopt bylaws to govern the tax collection committee and notify the department within 30 days of adoption. The department shall provide sample bylaws to the tax collection committee. Written notice shall be provided to each delegate and alternate delegate that the adoption or amendment of bylaws will be considered at a meeting. Notice shall include copies of the proposed bylaws or amendments. The bylaws for each tax collection committee shall provide for the following:

The examination shall include an audit of all records relating to the cash basis receipt and disbursement of all public money by the tax officer, a reconciliation of the monthly reports required by section 509(b), an analysis of the bond amount under section 509(d) and an analysis of the collection fees charged to the tax collection committee. In the case of a private agency, the examination shall not include payroll and other proprietary information. The examination shall be conducted according to generally accepted governmental auditing standards.

(2) The certified public accountant or public accountant shall issue a report, in a format prescribed by the department, to the tax collection committee, which shall include an auditor's opinion letter, a financial statement, a reconciliation of the monthly reports required by section 509(b) with the receipts and disbursements, a summary of collection fees charged to the tax collection committee, a report on the tax officer's compliance with this act, a list of any findings of noncompliance with this act and a copy of a management letter if one is issued by the auditor. If there are findings of noncompliance, a copy of the report shall be filed with the Department of the Auditor General and the department. A copy of the report shall be filed with all political subdivisions within the tax collection district and the department on or before September 1 of the succeeding year. The department may make available on its Internet website summary data from the reports filed under this subsection.

(2) A determination of the tax officer relating to the assessment, collection, refund, withholding, remittance or distribution of income taxes may be appealed to the appeals board by a taxpayer, employer, political subdivision or another tax collection district.

(3) All appeals, other than those brought under subsection (k), shall be conducted in a manner consistent with 53 Pa.C.S. §§ 8431 (relating to petitions), 8432 (relating to practice and procedure), 8433 (relating to decisions), 8434 (relating to appeals) and 8435 (relating to equitable and legal principles to apply).

(4) A tax collection committee may enter into an agreement with another tax collection committee to establish a joint appeals board.

(5) No member of an appeals board or joint appeals board may be a tax officer or an employee, agent or attorney for a tax officer.

(6) An appeals board appointed pursuant to this section shall constitute a joint local tax appeals board as provided for in 53 Pa.C.S. § 8430 (relating to administrative appeals) for purposes of taxes collected under the supervision of the appointing tax collection committee.

(k) Mediation and appeals of tax collector actions.--

(1) Any dispute among the affected parties involving a 10% or greater deviation from taxes received in the previous tax year shall be subject to mandatory mediation under this section, in accordance with regulations and guidelines to be adopted by the department. A dispute involving less than the 10% threshold may be the subject of voluntary mediation in accordance with regulations and guidelines to be adopted by the department.

(2) One or more affected political subdivisions shall give written notice to the tax collection committee and the department of its desire to submit the disputed matter to mediation by the department. Thereafter, the affected political subdivisions, tax collection committee and tax officer shall submit to mediation to which the following provisions shall apply:

- (i) Within 20 days of submission of the written notice, the affected political subdivisions, tax collection committee and tax officer shall each submit to the mediator and each other party to the mediation a statement of no more than five pages, stating the position of such party as to the disputed and undisputed facts and issues in the case and whether prior settlement

negotiations have occurred.

(ii) Within 30 days of submission of the written notice, the department shall determine whether the dispute meets the threshold conditions for mandatory mediation under paragraph (1), which decision shall be final and not appealable. Notice of such determination shall be given in writing to all affected parties.

(iii) If the mediator determines that the dispute meets the threshold conditions of paragraph (1), a mediation shall be commenced in accordance with procedures established under guidelines adopted by the department. The mediation efforts shall be completed no later than 30 days following the notice that the dispute has met the threshold requirement of paragraph (1), unless the time period is extended by mutual agreement of the parties to the mediation. The parties shall have any official authorized to settle the matter on their behalf available at the mediation. At the discretion of the mediator, the mediation may be held via telephonic communication or in person.

(iv) The mediation sessions shall be closed to the public and shall not be subject to the requirements of 65 Pa.C.S. Ch. 7.

(v) No offers or statements made in a mediation session, excluding the final written settlement agreement, if any, shall be admissible as evidence in any subsequent judicial or administrative proceedings in accordance with the provisions of 42 Pa.C.S. § 5949 (relating to confidential mediation communications and documents).

(vi) If a settlement is reached during the mediation, the department shall prepare a written settlement agreement and obtain all necessary signatures of the parties within 30 days of the agreement of the parties to settle the issue. The settlement agreement shall be binding upon the parties to the agreement. Such settlement agreement shall be subject to the provisions of the Right-to-Know Law. Such agreements shall be admissible as evidence in any subsequent judicial or administrative proceedings in accordance with the provisions of the Pennsylvania Rules of Court, the Pennsylvania Rules of Evidence and 42 Pa.C.S. § 5949.

(vii) If the mediation has not resulted in a written agreement signed by the parties as provided in subparagraph (vi), the mediation shall be deemed to have been unsuccessful unless all parties and the department agree in writing to extend the mediation. The mediator shall have the right to determine that the mediation has been unsuccessful and to terminate the mediation if the parties have not executed a settlement agreement by the ending date of the extension, or any further extension agreeable to the affected parties and the mediator.

(viii) Costs incurred by the department for a mandatory mediation under this section shall be equitably assessed by the department against the parties to the mediation. The assessment of costs shall be final and not appealable.

(3) The department shall adopt guidelines to further provide for the mandatory and voluntary mediation processes

in this subsection.

(l) Annual budget required.--

(1) Each tax collection committee shall adopt an annual budget providing for compensation of the tax officer and other expenses of operating the tax collection district.

(2) The expenses of operating the tax collection district shall be shared among and paid by all political subdivisions within the tax collection district that are represented by voting delegates on the tax collection committee and shall be weighted in direct proportion to income tax revenues collected in each participating political subdivision based on the political subdivision's most recent annual audit report required under this section.

(m) Committee establishment in counties with existing consolidated collection arrangements.--In any county in which, on the effective date of this section, all political subdivisions levying an income tax, including a county school district located partially outside of but contiguous to the county, are served by one existing tax bureau and that tax bureau is governed by a single governing entity created solely by the action of the school districts located wholly within and one or more partially outside of but contiguous to that county, such existing governing entity shall constitute the tax collection committee for that county and school district, provided, a majority of the governing bodies of the political subdivisions served by such tax bureau and within the tax collection district as defined in section 504(c) adopt uniform resolutions on or before July 1, 2009, designating said governing entity as the county tax collection committee for purposes of this act. In the event such a majority is not achieved, the establishment of a tax collection committee for that county and such school district shall proceed as otherwise provided for in this section. The following apply:

(1) A tax collection committee established pursuant to this subsection shall not be subject to any of the following:

(i) Subsection (b).

(ii) Subsection (b.1).

(iii) Subsection (b.2).

(viii) Subsection (1)(2).

(2) All of the following requirements shall be deemed to have been met without the necessity of further action by a tax collection committee established pursuant to this subsection:

(i) The initial adoption of bylaws otherwise required of a tax collection committee under subsection (a.1)(6).

(ii) The initial adoption of policies and procedures otherwise required of a tax collection committee under subsection (a.1)(7).

November 15, 2013, and November 15 every fourth year thereafter, adopt and file with the department and the tax collection committee a resolution evidencing its desire to withdraw from governance by such tax collection committee as of January 1 of the second succeeding calendar year. The following apply:

(i) If a majority of the governing bodies of such political subdivisions adopt resolutions evidencing a desire to withdraw, a new tax collection committee shall be established in accordance with subparagraph (iii).

(ii) If a majority of the governing bodies of such political subdivisions fail to adopt resolutions evidencing a desire to withdraw from governance by the tax collection committee established pursuant to this subsection, such governance shall continue as before for all political subdivisions.

(iii) The department shall promulgate appropriate regulations governing the establishment of a new county tax collection committee necessitated by the action of political subdivisions under this paragraph in withdrawing from a tax collection committee established pursuant to this subsection. Among other things, such regulations shall provide for voting rights, quorum requirements, meeting requirements, meeting agendas, bylaw requirements and other items as provided for in this section and other parts of this act dealing with the initial establishment of tax collection committees, to the extent warranted, and shall establish the time frame and schedule within which any and all actions necessary to establish such a new tax collection committee are to be effectuated to ensure a timely and efficient transfer of tax collection and governance responsibilities.

If two or more tax collection districts form a joint tax collection committee, the joint tax collection committee shall appoint a single tax officer.

(b) Standards.--A tax collection committee may not appoint a tax officer that:

(1) has been convicted of a felony involving fraud, extortion or dishonesty in any jurisdiction;

(2) has engaged in conduct which significantly adversely reflects on the applicant's credibility, honesty or integrity;

(a) Appointment.--By September 15, 2010, each tax collection committee shall appoint a tax officer by resolution and shall

notify the department of the appointment, including the tax officer's name, address and telephone number and any other information required by the department within ten days of the appointment. The name, telephone number and address of the tax officer appointed shall be added to the official register and shall be effective for the assessment, collection and administration of income taxes levied, imposed and collected in fiscal years beginning on and after January 1, 2012. If the position of tax officer becomes vacant, the tax collection committee shall appoint a new tax officer by resolution.

(b) Court selection.--

(1) If a tax collection committee has not appointed a tax officer under subsection (a) or if a tax officer ceases to hold office and a successor has not been appointed within 30 days of the vacancy, the tax collection committee shall immediately notify the department and shall submit the names of at least two nominees for the position of tax officer to the court of common pleas in the county in which the tax collection district is located. The court shall select a tax officer from among the nominees submitted by the tax collection committee.

(2) If the tax collection committee fails to submit nominees in accordance with this subsection, any political subdivision within the tax collection district may, after notifying the department, petition the court to select a tax officer. The court may provide for other persons to submit nominations for the position of tax officer. The court may select a tax officer from among the nominees.

(3) In the event that a tax officer is to be selected by the court under this subsection, the department shall inform the court of the time frame by which an appointment of a tax officer is needed and of upcoming deadlines which the tax officer must meet in order to timely fulfill the duties of appointment.

(4) Upon the selection of a tax officer by the court, the tax collection committee shall appoint the person selected.

(c) Compensation.--The tax officer shall receive reasonable compensation for services and expenses as determined by the tax collection committee. At the discretion of the tax collection committee, the tax officer may be permitted to withhold the amount of the tax officer's compensation from income taxes collected, if the monthly reports required by section 509(b) submitted by the tax officer include an accounting for all compensation withheld.

(d) Written agreement.--Except when a tax collection committee establishes a tax bureau under section 505(a.2)(2), all appointments of a tax officer shall be made pursuant to a written agreement between the tax officer and the tax collection committee. The agreement shall be approved by the committee by resolution.

(e) Eligibility of existing tax collection entities.--Notwithstanding any provision of law to the contrary, it shall not be regarded as a conflict of interest for a delegate or alternate to participate in discussions and voting of the tax collection committee relating to the appointment of a tax officer, solely on the basis that the delegate or alternate also is an employee or member of the governing body of an existing tax bureau or other public tax collection entity which is under

consideration for appointment as the tax officer or which has submitted a proposal for appointment as tax officer, or is an employee or member of the governing body of a political subdivision participating in such an existing tax bureau or other public tax collection entity.

(5) A tax collection committee or any political subdivision may sue upon the bond for the payment or distribution of income taxes.

(6) Each bond shall contain the name of the surety company bound on the bond.

(7) The tax collection committee may, upon cause shown and due notice to the tax officer and the tax officer's sureties, require or allow the substitution or the addition of a surety company acceptable to the tax collection committee for the purpose of making the bond sufficient in amount, without releasing the sureties first approved from any accrued liability or previous action on the bond.

(8) The tax collection committee shall designate the custodian of the bond.

(9) The tax officer shall file copies of all bonds in effect with each political subdivision in the tax collection district.

(2) The Department of Revenue may enter into agreements with each tax collection district and shall establish procedures under which tax collection, filing and other taxpayer and locality information in its custody will be made available to tax officers for purposes of collection, reconciliation and enforcement no later than one year after the deadline for filing returns for the tax year in question.

(h) Actions for collection of income taxes.--The tax officer may file an action in the name of a political subdivision within the tax collection district for the recovery of income taxes due to the political subdivision and unpaid. Nothing in this subsection shall affect the authority of a political subdivision to file an action in its own name for collection of income taxes under this chapter. This subsection shall not be construed to limit a tax officer, a tax collection district or political subdivision from recovering delinquent income taxes by any other means provided by this act. Actions for collection of income taxes shall be subject to the following:

(iv) An employer has intentionally failed to make deductions required by this act.

(i) Interest and penalties.--

(1) Except as provided in paragraph (2), if the income tax is not paid when due, interest at the rate the taxpayer is required to pay to the Commonwealth under section 806 of the act of April 9, 1929 (P.L.343, No.176), known as The Fiscal Code, on the amount of the income tax, and an additional penalty of 1% of the amount of the unpaid income tax for each month or fraction of a month during which the income tax remains unpaid shall be added and collected but the amount shall not exceed 15% in the aggregate. Where an action is brought for the recovery of the income tax, the taxpayer liable for the income tax shall, in addition, be liable for the costs of collection, interest and penalties.

(2) The department may establish conditions under which a tax officer, with the concurrence of the tax collection committee, may abate interest or penalties that would otherwise be imposed for the nonreporting or underreporting of income tax liabilities or for the nonpayment of income taxes previously imposed and due if the taxpayer voluntarily files delinquent returns and pays the income taxes in full.

(3) The provisions of paragraph (2) shall not affect or terminate any petitions, investigations, prosecutions or other proceedings pending under this chapter, or prevent the commencement or further prosecution of any proceedings by the proper authorities for violations of this act. No proceedings shall, however, be commenced on the basis of delinquent returns filed pursuant to subsection (h) if the returns are determined to be substantially true and correct and the income taxes are paid in full within the prescribed time.

(j) Fines and penalties for violations.--

(1) Any taxpayer who fails, neglects or refuses to make any declaration or return required by this chapter, any employer who fails, neglects or refuses to register, keep or supply records or returns required by section 512 or to pay the income tax deducted from employees, or fails, neglects or refuses to deduct or withhold the income tax from employees, any taxpayer or employer who refuses to permit the tax officer appointed by a tax collection committee or an employee or agent of the tax officer to examine books, records and papers, and any taxpayer or employer who knowingly makes any incomplete, false or fraudulent return, or attempts to do anything whatsoever to avoid the full disclosure of the amount of income in order to avoid the payment of income taxes shall, upon conviction thereof, be sentenced to pay a fine of not more than \$2,500 for each offense and reasonable costs, and in default of payment of said fine and costs, to imprisonment for not more than six months.

(2) Any employer required under this chapter to collect, account for and distribute income taxes who willfully fails to collect or truthfully account for and distribute income taxes, commits a misdemeanor and shall, upon conviction, be

sentenced to pay a fine not exceeding \$25,000 or to imprisonment not exceeding two years, or both.

(3) The penalties imposed under this subsection shall be in addition to any other costs and penalties imposed by this act.

(4) The failure of any person to obtain forms required for making the declaration or returns required by this act shall not excuse the person from making the declaration or return.

(k) Collection.--In addition to the powers and duties enumerated in this section, when designated by the tax collection committee, a tax officer may collect other taxes levied pursuant to this act, the act of June 27, 2006 (1st Sp.Sess., P.L.1873, No.1), known as the Taxpayer Relief Act, or other statutory law.

(509 added July 2, 2008, P.L.197, No.32)

Section 510. Fines and penalties against tax officers.

(a) Distribution of nonresident taxes.--A tax collection district or a political subdivision that brings an action under subsection (e) with respect to distribution of income taxes under section 513 may seek equitable relief from a tax officer, including an accounting of all undistributed income taxes and monetary damages, in the form of recovery of the income taxes not previously distributed plus interest calculated from the date that the income taxes should have been distributed. In addition, the court may impose a civil penalty not to exceed \$2,500 for each quarter for which income taxes were not distributed in accordance with section 513, plus reasonable costs and attorney fees. If a tax officer fails to distribute income taxes to the appropriate political subdivision as required under section 513 for four consecutive tax quarters, the court may impose a civil penalty not to exceed \$5,000. In addition, the court may impose a fine not to exceed \$100 per day for every day past the deadline that a tax officer does not respond to a claim under section 513(b).

(b) Monthly reports and audits of income taxes.--If a tax officer fails to submit the report required under section 509(b), a tax collection district or a political subdivision entitled to receive the report may bring an action in the court of common pleas of the county in which the tax collection district is primarily located. The court may impose a civil penalty of \$20 a day for each day that the report is overdue, not to exceed \$500. If an examination submitted under section 505(h) includes any findings of noncompliance, the court may impose an additional civil penalty of not less than \$500 but not more than \$2,500.

(c) Failure of duty.--An action may be brought against the tax officer to compel the performance of duties required by this chapter or imposed by regulations adopted pursuant to this chapter, including the duty to deliver all tax records and other official items held in right as tax officer to the tax officer's successor. Upon a finding of failure to perform a duty, the court may impose a penalty not to exceed \$5,000, and the tax officer may be held liable for the cost of reproducing tax records if they are lost or cannot be delivered.

(d) Other violations.--A tax officer who violates any other provision of this act shall be subject to a civil penalty of up to \$2,500 for each violation.

(e) Actions against a tax officer.--An action against a tax

officer for a violation of this chapter may be brought by a tax collection district or a political subdivision for which the tax officer collects income taxes, a political subdivision or tax collection committee owed income taxes by the tax officer or by a surety.

(f) Rescinded appointment.--

(1) A tax collection committee shall temporarily remove a tax officer if a criminal action is commenced against the tax officer for an offense which would constitute a violation of the standards of office under section 506(b). If the tax officer is convicted or pleads guilty or nolo contendere in the action, the tax collection committee shall rescind the appointment and remove the tax officer permanently.

(2) A tax collection committee may remove or rescind the appointment of a tax officer where the tax officer or an employee or agent of the tax officer violates the provisions under section 514(b).

(3) A tax collection committee may remove or rescind the appointment of a tax officer for cause.

(4) A tax collection committee may not retain a tax officer who has been penalized under subsection (a), (b), (c) or (d) more than three times or who fails to satisfy the requirements under section 506.

(g) Interpretation.--A tax officer shall not be considered a debt collector for purposes of the act of March 28, 2000 (P.L.23, No.7), known as the Fair Credit Extension Uniformity Act. Except as otherwise authorized in this act, a tax officer shall be subject to the restrictions and prohibitions imposed on creditors. Notwithstanding the provisions of the Fair Credit Extension Uniformity Act, this act shall supersede any restrictions and prohibitions on creditors otherwise applicable under the Fair Credit Extension Uniformity Act.

(h) Withdrawal from tax collection district.--

(1) In an action brought by a political subdivision under this section after January 1, 2014, the court may, in addition to other available remedies, grant a request by the political subdivision to withdraw from the tax collection district for good cause, provided the court determines, after hearing, that all of the following conditions exist:

(i) The political subdivision has suffered loss in income tax revenues that is directly and primarily attributable to the willful and continued failure of the tax officer or tax collection committee to comply with the provisions of this act.

(ii) The tax collection committee has failed to take reasonable measures to correct the deficiencies in the performance of the tax officer and otherwise assure compliance with the requirements of this act.

(iii) The political subdivision and the tax collection committee have engaged in good faith mediation before a special master appointed by the court, but nonetheless have failed to reach agreement about alternative corrective measures in lieu of withdrawal of the political subdivision from the tax collection district.

(iv) Other relief available that could be ordered by the court would not be adequate to provide a reasonable prospect of compliance by the tax officer and tax collection committee with the requirements of this act,

and that withdrawal of the political subdivision from the tax collection district is otherwise in the best interests of the political subdivision, taxpayers and employers.

(2) (i) In the event the court grants a request by a political subdivision under this section to withdraw from the tax collection district in which it is located, the governing body of the political subdivision may withdraw by adopting a resolution to that effect and appointing a tax officer to collect the income tax levied by that political subdivision, effective for the next calendar year beginning at least six months after the adoption of such resolution.

(ii) With respect to the income tax levied by that political subdivision, a tax officer appointed pursuant to this paragraph shall have the same powers and duties as a tax officer appointed by a tax collection district and all other requirements of this act pertaining to the functions and qualifications of tax collection districts and tax officers, and the related obligations of employers and taxpayers shall apply equally to the political subdivision, its governing body and a tax officer appointed by that political subdivision.

**Compiler's Note:** Section 39 of Act 32 of 2008, which added section 511, provided that section 511 shall apply to the official register released June 15, 2008, and each year thereafter.

Section 511. Tax registers.

(a) Requirement.--The department shall maintain a tax register and an official register. All of the following shall apply:

(1) The department shall maintain a tax register on the department's Internet website. Information for the tax register shall be furnished by each county and each political subdivision to the department as prescribed by the department. The department shall continuously update the tax register.

(2) As part of the tax register under paragraph (1), the department shall maintain an official register. The requirement to maintain an official register in accordance with this section shall supersede the requirements for an official register in any act.

(3) The official register shall be organized by municipality and shall list:

(i) Each municipality and coterminous school district.

(ii) The effective income tax rate on taxpayers who reside in the municipality.

(iii) The effective income tax rate on taxpayers who reside in the school district.

(iv) The combined municipal and school district income tax rate on taxpayers residing in each municipality.

(v) The income tax rate on taxpayers working within the municipality.

(vi) Whether an income tax is a personal income tax levied under the act of June 27, 2006 (1st Sp.Sess.,

P.L.1873, No.1), known as the Taxpayer Relief Act, or any other act.

(vii) The effective emergency and municipal services tax rate on taxpayers working within the municipality.

(viii) The effective emergency and municipal services tax rate on taxpayers working within the school district.

(ix) The combined municipal and school district emergency and municipal services tax rate.

(x) The amount of any other withholding tax.

(xi) The name, telephone number, address, e-mail and Internet address, where available, of the tax officer responsible for administering the collection of the tax.

(4) Each year the department shall update and officially release withholding tax rates on the official register on June 15 and December 15. Tax rates released on June 15 shall become effective July 1. Tax rates released on December 15 shall become effective January 1 of the following year. The department may revise the notification, official release and effective dates of the register for good cause. Six months prior to the revision, the department shall notify each affected political subdivision of the revision and shall publish notice of the revision in the Pennsylvania Bulletin.

(5) Information for the official register shall be furnished by each political subdivision to the department as prescribed by the department and shall include a copy of the ordinance or resolution enacting, repealing or changing the tax. The department shall be notified of changes to the official register as follows:

(i) New withholding tax enactments, repeals and changes shall be received by the department no later than June 1 to require withholding of a new tax, withholding at a new rate or to suspend withholding of such tax effective July 1 of that year. All new withholding tax enactments, repeals and changes received by the department by June 1 shall be officially released by the department June 15 and become effective July 1. Failure of the department to receive information by June 1 from political subdivisions regarding current withholding tax rates, new withholding tax enactments, repeals and changes shall be construed by the department to mean that the information contained in the previous December 15 release of the official register is still in force. Information received by the department after June 1 but before December 1 shall be officially released on December 15.

(ii) New withholding tax enactments, repeals and changes shall be received by the department no later than December 1 to require withholding of a new tax, withholding at a new rate or to suspend withholding of such tax effective January 1 of the following year. All new withholding tax enactments, repeals and changes received by the department by December 1 shall be officially released by the department on December 15 and become effective January 1 of the following year. Failure of the department to receive information by December 1 from political subdivisions regarding current withholding

tax rates, new withholding tax enactments, repeals and changes shall be construed by the department to mean that the information contained in the previous June 15 release of the official register is still in force. Information received by the department after December 1 but before June 1 shall be officially released on June 15.

(6) (i) Employers shall not be required to deduct from compensation of their employees or make reports of compensation in connection with any withholding tax that is not released on the official register as of June 15 and December 15 of each year as provided in paragraphs (4) and (5), unless the political subdivision imposing the tax has provided written notice to the employer of the tax or tax rate and the withholding requirement.

(ii) Notwithstanding any law to the contrary, no political subdivision or tax officer may require any employer to deduct a withholding tax at a rate or amount that is not released on the official register, unless the political subdivision imposing the tax has provided written notice to the employer of the tax or tax rate and the withholding requirement.

(iii) The provisions of this paragraph shall not affect the liability of any taxpayer for withholding taxes lawfully imposed under this act.

(7) An employer may withhold at the most recently available rate on the tax register even if such rate is different than the tax rate released on the official register as provided in paragraphs (4) and (5), provided that an employer shall not be required to withhold at a tax rate that is not released on the official register, unless the political subdivision imposing the tax has provided written notice to the employer of the current tax rate.

(8) No employer shall be held liable for failure to withhold an income tax from an employee if the failure to withhold the income tax arises from incorrect information submitted by the employee as to the employee's place of residence.

(9) No employer shall be held liable for failure to withhold the emergency and municipal services tax or for the payment of tax money withheld to a tax officer if the failure to withhold the taxes arises from incorrect information submitted by the employee as to the employee's place of employment, the employee's principal office or where the employee is principally employed.

(b) Definition.--As used in this section, notwithstanding section 501, the terms "income tax" and "withholding tax" include a tax assessed on the income of a taxpayer and levied by a municipality under the act of August 5, 1932 (Sp.Sess., P.L.45, No.45), referred to as the Sterling Act.

(511 added July 2, 2008, P.L.157, No.32)  
Section 512. Withholding and remittance.

For taxable years commencing on and after January 1, 2012, or earlier taxable years if specified by a tax collection district, income taxes shall be withheld, remitted and reported as follows:

(1) Every employer having an office, factory, workshop, branch, warehouse or other place of business within a tax collection district who employs one or more persons, other than domestic servants, for a salary, wage, commission or

other compensation, who has not previously registered, shall, within 15 days after becoming an employer, register with the tax officer the name and address of the employer and such other information as the department may require.

(2) An employer shall require each new employee to complete a certificate of residency form, which shall be an addendum to the Federal Employee's Withholding Allowance Certificate (Form W-4). An employer shall also require any employee who changes their address or domicile to complete a certificate of residency form. Upon request, certificate of residency forms shall be provided by the department. The certificate of residency form shall provide information to help identify the political subdivisions where an employee lives and works.

(3) Every employer having an office, factory, workshop, branch, warehouse or other place of business within a tax collection district that employs one or more persons, other than domestic servants, for a salary, wage, commission or other compensation, shall, at the time of payment, deduct from the compensation due each employee employed at such place of business the greater of the employee's resident tax or the employee's nonresident tax as released in the official register under section 511.

(4) Except as set forth in paragraph (5), within 30 days following the end of each calendar quarter, every employer shall file a quarterly return and pay the amount of income taxes deducted during the preceding calendar quarter to the tax officer for the place of employment of each employee. The form shall show the name, address and Social Security number of each employee, the compensation of the employee during the preceding three-month period, the income tax deducted from the employee, the political subdivisions imposing the income tax upon the employee, the total compensation of all employees during the preceding calendar quarter, the total income tax deducted from the employees and paid with the return and any other information prescribed by the department.

(5) Notwithstanding paragraph (4), the provisions of this paragraph shall apply if an employer has more than one place of employment in more than one tax collection district. Within 30 days following the last day of each month, the employer may file the return required by paragraph (4) and pay the total amount of income taxes deducted from employees in all work locations during the preceding month to the tax officer for either the tax collection district in which the employer's payroll operations are located or as determined by the department. The return and income taxes deducted shall be filed and paid electronically. The employer must file a notice of intention to file combined returns and make combined payments with the tax officer for each place of employment at least one month before filing its first combined return or making its first combined payment. This paragraph shall not be construed to change the location of an employee's place of employment for purposes of nonresident tax liability.

(6) Any employer who, for two of the preceding four quarterly periods, has failed to deduct the proper income tax, or any part of the income tax, or has failed to pay over the proper amount of income tax as required by paragraph (3)

to the tax collection district, may be required by the tax officer to file returns and pay the income tax monthly. In such cases, payments of income tax shall be made to the tax officer on or before the last day of the month succeeding the month for which the income tax was withheld.

(7) On or before February 28 of the succeeding year, every employer shall file with the tax officer where income taxes have been deducted and remitted pursuant to paragraph (3):

(i) An annual return showing, for the period beginning January 1 of the current year and ending December 31 of the current year, the total amount of compensation paid, the total amount of income tax deducted, the total amount of income tax paid to the tax officer and any other information prescribed by the department.

(ii) An individual withholding statement, which may be integrated with the Federal Wage and Tax Statement (Form W-2), for each employee employed during all or any part of the period beginning January 1 of the current year and ending December 31 of the current year, setting forth the address and Social Security number, the amount of compensation paid to the employee during the period, the amount of income tax deducted, the amount of income tax paid to the tax officer, the numerical code prescribed by the department representing the tax collection district where the payments required by paragraphs (4) and (5) were remitted and any other information required by the department. Every employer shall furnish one copy of the individual withholding statement to the employee for whom it is filed.

(8) Any employer who discontinues business prior to December 31 of the current year shall, within 30 days after the discontinuance of business, file returns and withholding statements required under this section and pay the income tax due.

(9) Except as otherwise provided in section 511, an employer who willfully or negligently fails or omits to make the deductions required by this subsection shall be liable for payment of income taxes which the employer was required to withhold to the extent that the income taxes have not been recovered from the employee. The failure or omission of any employer to make the deductions required by this section shall not relieve any employee from the payment of the income tax or from complying with the requirements for filing of declarations and returns.

(512 added July 2, 2008, P.L.197, No.32)

The record shall be provided to another tax collection district at the time of distribution.

(4) A tax officer who, within two years after receiving an income tax payment after reasonable efforts meeting conditions established by the tax collection committee, cannot identify the political subdivision entitled to the income tax payment shall make payment to the municipality in which the income tax was collected.

(b) Other tax collection districts.--In addition to subsection (a), for distribution of income taxes to other tax collection districts, the following shall apply:

(1) If nonresident taxes are not distributed to the appropriate tax officer as required under subsection (a)(1), a tax officer may make a claim for income taxes attributable to residents of the tax collection district served by that tax officer. The tax officer for the tax collection district against which a claim is made shall, within 30 days:

(i) pay the claim if it is undisputed; or

(ii) respond in writing stating the reasons why the claim cannot be paid.

(2) If the tax officer for the tax collection district against which the claim is made does not act under paragraph (1)(i) or (ii), the tax officer making the claim may bring an action in the court of common pleas in the county in which the tax collection district with the claim is primarily located for both the amount of the claim and interest at the rate provided for in 53 Pa.C.S. § 8426 (relating to interest on overpayment) from the date which the income taxes were received from the taxpayer, employer or other tax officer. Notwithstanding any other law to the contrary, an action

under this paragraph must be brought within seven years after the claim is made.

(c) Codes.--Employers and tax officers shall use political subdivision and tax collection district codes prescribed by the department.

(d) Fee prohibition.--No tax officer, political subdivision or tax collection district shall be required to pay a fee or commission to another tax collection district on account of income taxes distributed under this section.

(513 added July 2, 2008, P.L.197, No.32)

If the offender is a member of the tax collection committee, the member shall be removed from the tax collection committee. If the offender is an employee of a tax collection committee or a political subdivision, the employee shall be discharged from employment. The offender shall pay the costs of prosecution.

(1) A political subdivision which brings an action under former Division V(h) of section 13 may seek equitable relief from a tax officer, including an accounting of all undistributed income taxes and monetary damages, in the form of recovery of the income taxes not previously distributed. In addition, the court may impose a civil penalty not to exceed \$2,500 for each quarter for which income taxes were not distributed in accordance with former Division V(h) of section 13, plus reasonable costs and attorney fees.

Section 702. Collection of Delinquent Per Capita, Occupation, Occupational Privilege, Emergency and Municipal Services, Local Services and Income Taxes from Employers, etc.--The tax collector under Chapter 3 and the tax officer under Chapter 5 shall demand, receive and collect from all employers, other than the Commonwealth, employing persons owing delinquent per capita, occupation or occupational privilege taxes under Chapter 3 or emergency and municipal services, local services

and income taxes under Chapter 5, or whose spouse owes delinquent per capita, occupation or occupational privilege taxes under Chapter 3 or emergency and municipal services, local services and income taxes under Chapter 5, or having in possession unpaid commissions or earnings belonging to any person or persons owing delinquent per capita, occupation or occupational privilege taxes under Chapter 3 or emergency and municipal services, local services and income taxes under Chapter 5, or whose spouse owes delinquent per capita, occupation or occupational privilege taxes under Chapter 3 or emergency and municipal services, local services and income taxes under Chapter 5, upon the presentation of a written notice and demand certifying that the information contained therein is true and correct and containing the name of the taxable or the spouse thereof and the amount of tax due. Upon the presentation of such written notice and demand, it shall be the duty of any employer to deduct from the wages, commissions or earnings of such individual employes, then owing or that shall within sixty days thereafter become due, or from any unpaid commissions or earnings of any such taxable in the employer's possession, or that shall within sixty days thereafter come into the employer's possession, a sum sufficient to pay the respective amount of the delinquent taxes and costs, shown upon the written notice or demand, and to pay the same to the tax collector of the taxing district or to the tax officer for the tax collection district in which such delinquent tax was levied within sixty days after such notice shall have been given. No more than ten percent of the wages, commissions or earnings of the delinquent taxpayer or spouse thereof may be deducted at any one time for delinquent taxes and costs. The employer shall be entitled to deduct from the moneys collected from each employe the costs incurred from the extra bookkeeping necessary to record such transactions, not exceeding two percent of the amount of money so collected and paid over to the tax collector or tax officer. Upon the failure of any employer to deduct the amount of such taxes or to pay the same over to the tax collector or tax officer, less the cost of bookkeeping involved in such transaction, as herein provided, within the time hereby required, the employer shall forfeit and pay the amount of such tax for each such taxable whose taxes are not withheld and paid over, or that are withheld and not paid over together with a penalty of ten percent added thereto, to be recovered by an action of assumpsit in a suit to be instituted by the tax collector or tax officer, or by the proper authorities of the taxing district or tax collection district, as debts of like amount are now by law recoverable, except that such person shall not have the benefit of any stay of execution or exemption law. The tax collector or tax officer shall not proceed against a spouse or the spouse's employer until the tax collector or tax officer has pursued collection remedies against the delinquent taxpayer and his employer under this section.

or officer to deduct from the wages then owing, or that shall within sixty days thereafter become due to any employe, a sum sufficient to pay the respective amount of the delinquent per capita, occupation or occupational privilege, emergency and municipal services, local services under Chapter 3 and income taxes under Chapter 5 and costs shown on the written notice. Upon each such judgment, execution may be issued without any stay or benefit of any exemption law. The right to collect unpaid taxes under the provisions of this section shall not be affected by the fact that such taxes have been entered as liens in the office of the prothonotary, or the fact that the property against which they were levied has been returned to the county commissioners for taxes for prior years.

(b) (1) All taxes deducted and withheld from employes pursuant to this chapter or under cover of this chapter, plus any penalties and interest with respect thereto, shall constitute a trust fund for the political subdivision and shall be enforceable against such employer, his representative or any other person receiving any such fund.

If for any reason any tax levied and assessed upon income by any such political subdivision is not paid when due, interest and penalties as provided in section 509(i) shall be added and

collected. When suit is brought for the recovery of any such tax, the person liable therefor shall, in addition, be liable for the costs of collection and the interest and penalties herein imposed.

Reasonable costs collected may be retained by the tax collector under Chapter 3 or the tax officer under Chapter 5. An itemized accounting of all costs collected shall be remitted to the political subdivision or the tax collection committee on an annual basis.

(b) Costs related to the collection of unpaid per capita, occupation, occupational privilege, emergency and municipal services or local services taxes may only be assessed, levied and collected for five years from the last day of the calendar year in which the tax was due.
