*Capital Tax Collection Bureau will grant an extension of time for filing your Earned Income Tax Return  
(Form 531) until October 15th.*

**This extension of time will be granted if you properly complete this form and  
file it with Capital Tax Collection Bureau on or before April 15th.**

Please note this is not an extension of time for the payment of any tax, which may be due. Payment in full of the balance due on your return should be submitted with this form. If payment is not made applicable interest charges (calculated at the rate of 1% per month of the unpaid tax) must be added to the amount of tax due when paid by October 15. If you file after October 15, penalty and interest charges of 1% per month are effective as of April 15 on any payment. Keep in mind that if you were required to make quarterly estimated payments for the tax year and payments were not made on time you may be subject to additional interest and penalty going back as far as first quarter of the tax year.

Thank you for your cooperation. If we can be of further assistance, please contact the Capital Tax Collection Bureau at (717) 957-7281.
